THE PERFECT ALTERNATIVE TO  
MANNED SECURITY

The UK's first solar hybrid, instant deployment, work zone protection vehicle barrier.

INSTABOOM is the market leading solar hybrid portable barrier that is fully HSE compliant and UKCA marked. Built to meet the highest safety standards and also rugged enough to withstand being on a worksite INSTABOOM is the 'game changer' in highway safety. It is deployed in minutes to fully secure a road.

or use on all highways and SMART motorway projects INSTABOOM comes with remote telematics as standard and UK wide managed service if requested.
