

PORTABLE BELISHA BEACON

WWW.M-VIS.CO.UK / SALES@M-VIS.CO.UK / 01629 580570

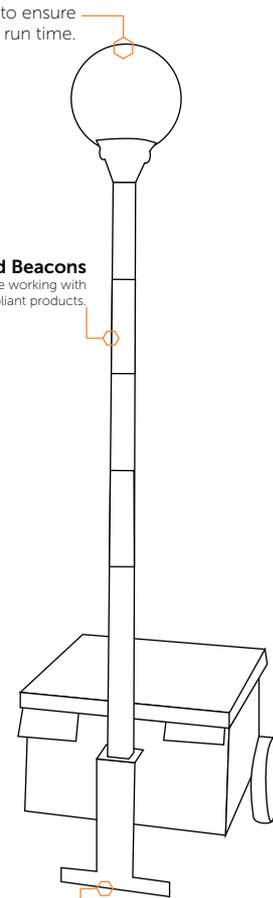

PRODUCT UNDER TESTING

Belisha Beacons

Low power draw beacons to ensure long lasting run time.

Fully Compliant Pole and Beacons

Ensuring our team and yours are working with compliant products.

Trial and Tested HD Compact Base

Some of the products we know well, guaranteed to work as expected.

BASE

Built onto a HD Compact base this product comes with a handle stored inside the secured box, making sure that only your members of staff can move the beacons.

Easily moved and lightweight you will be able to move the product anywhere with this compact base that will not block peoples paths.

POWER

This product utilises the power of a regular HD Compact or Compact CCTV with MVIS,

With the MVIS Compact CCTV, it runs continuously. Early theories state that these products will not need battery changes due to it's low power draw.

One delivery, one collection.

INTENDED FOR:

ROAD WORKS

QUARRIES

CONSTRUCTION SITES

SO MUCH MORE

MVIS' Innovation Hub has been home to some of the best and most utilised products on the roadsides in the UK, and we do not intend to stop innovating.

MVIS' Belisha Beacon idea has been research by our team and we believe that with our Platinum Level Service Promise, reliable product experience and accredited Research & Development team on the case we will provide some of the strongest Belisha Beacons on the market.
